Claim Amendments:

Cancel claims 9-11, and rewrite claims 6-7, as follows:

1. (original) A sheet element with customizing elements for building-yard use and for delimiting spaces, comprising: a sheet body made of plastics that is longitudinally elongated and a tape provided with graphic markings, characters, designs and/or reflective elements that is monolithically associated with said sheet-shaped body.

2. (original) The sheet element of claim 1, wherein said sheet-shaped body is mono-oriented.

3. (original) The sheet element of claim 1, wherein said sheet-shaped body is biaxially oriented.

4. (original) The sheet element of claim 1, wherein said sheet-shaped body comprises a plurality of through openings and at least one continuous band that runs longitudinally on said sheet-shaped body.

5. (original) The sheet element of claim 4, wherein said tape is arranged at said continuous band.

6. (currently amended) The sheet element of claim 5, wherein said tape is a thermally bonded tape connected to said sheet-shaped body ~~by thermal bonding~~.

7. (currently amended) The sheet element of claim 5, wherein said tape is an adhesively bonded tape connected to said sheet-shaped body ~~by adhesive bonding~~.

8. (original) The sheet element of claim 5, wherein said tape is embedded in said sheet-shaped body.

9-11 (cancelled).
